To whom it may concern

This is to confirm that A-Qroup has been providing the non-statutory medical insurance plan to the employees of our company since 2002.

We have been cooperating with A-Qroup for 10 years.

During this period we were highly satisfied by the quality and responsiveness of the A-Qroup staff.

We would have no hesitation in recommending A-Qroup to other companies.

Kind Regards,

Elhan Ibrahimov
